Aviation Courses Available (Single Engine)
- Private Pilot
- Instrument Pilot
- Commercial Pilot
- Flight Instructor

Who Will Teach Me?
We have an excellent staff of FAA Certified Instructor Pilots. All are highly experienced and will guide you through the training course curriculum. The Aero Club Manager can assist in finding the instructor for you!

How Much Does It Cost?
This depends on how long it takes you to complete the course, and what aircraft type you chose. The KAFB Manager is available during business hours to go over the costs in detail.

Rates*
Membership Fees
One-time Initiation Fee..................$50
Monthly Aero Club Dues...............$15

Other Programs
- Flight Reviews
- Instrument Proficiency Checks
- FAA Pilot Proficiency Award Program (Wings)
- Mountain Flying
- Certified Flight Instructor
- Certified Flight Instructor Instrument

Safety Meeting
Members are required to attend a monthly Safety Meeting. Meetings may be made up by watching the Safety Meeting video or reading the minutes (maximum two meetings). The meetings are usually held on the first Wednesday of the month at 6:30 p.m. at the AFRL Conference Center, Bldg. 201.

Veterans Benefits
The Department of Veterans’ Affairs pays for ratings beyond Private—from 60% to 100%. Visit the Aero Club to see if you are eligible!
